RE: SP-0104-2015, Williamsburg Landing Woodhaven Expansion

Upon review of the above referenced plan, I am pleased to inform you that your site plan received final Planning Division approval on July 5, 2016. Enclosed are two copies of the stamped final approval drawing for your files.

Final approval of the site plan shall expire five years after the date of approval. During that period all permits shall be obtained or the development shall be put into use. When the permits have been issued, the site plan approval shall run concurrently with the permits term of validity for only those uses and improvements covered by the permits. All work shall be completed in the manner and location indicated upon the approved plan. Modifications shall be approved in advance by the Zoning Administrator.

Sincerely,

Christopher Johnson
